INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Compassionate Care ALS, Inc.

Opinion

We have audited the accompanying financial statements of Compassionate Care ALS, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Compassionate Care ALS, Inc. as of December 31, 2023, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Compassionate Care ALS, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Compassionate Care ALS, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of
 Compassion Care ALS, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Compassionate Care ALS, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the Compassionate Care ALS, Inc.'s 2022 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 21, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2022, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTE A – ORGANIZATION AND PROGRAM SERVICES

Compassionate Care ALS, Inc. was incorporated as a non-profit organization in 2002 and grew out of the work of the Gordon T. Heald ALS Fund. Gordon T. Heald was an active New England businessman who participated in and gave generously to local charities. In 1997 he was diagnosed with ALS. Before Gordon's death, the idea of starting a fund for ALS families in his name came to light. An announcement in Gordon's obituary in October 1998 generated the seed money for the Gordon T. Heald ALS Fund. Compassionate Care ALS, Inc. is dedicated to providing assistance to families in dealing with the complexities of ALS. Compassionate Care ALS, Inc. models compassion to those affected by ALS by providing educational and legal resources, respite opportunities, instruction and guidance, subsidy of living aids and assistance, durable goods and intimate dialogue with patients and their caregivers, families, and friends. The Organization's approach draws from hands-on experience and strives to understand the overwhelming dynamics ALS families endure.

Program services of the organization include the Gordon T. Heald program and Compassionate Care ALS program. Both programs provide assistance to families with ALS. Compassionate Care ALS's range of services helps individuals to live as fully as possible within the parameters of the illness, and to gracefully experience the end of life with conscious choice and compassion. Services offered are tailored to meet the individual needs of each patient and family. Types of assistance offered include:

- **Emotional Support** The staff visits families at home, listens and suggests options. The staff also facilitates gatherings for caregivers offer counseling, match caregivers with caregivers & patients with patients to foster intimate dialogue at home or in other safe settings.
- **Integrative Therapies** Subsidized massage, acupuncture, cranial-sacral therapy, self-inquiry, energy work, contemplative practice such as meditation and promoting self-care for both patients and caregivers.
- **Contemplative Practice** Work one on one with caregivers and families, teaching meditation and visualization techniques to help alleviate fear and anxiety and to promote well-being.
- Education Lead workshops on "Cultivating Compassion" for health care professionals, caregivers, and the community about investigating conscious choice, living and dying with terminal illness, practicing self-care, and other topics related to ALS.
- Van Service Provide the availability of a wheelchair-accessible van for everyday needs and special trips.
- **Youth Program** Children of ALS patients are offered rites of passage programs and other supportive resources.
- Gordon T. Heald ALS Fund Subsidizes the purchase of home care equipment such as communications devices and wheelchair ramps, and assist with prescription costs and other living expenses as needed.
- Other assistance Responsive to a broad spectrum of special requests to ease the family burden of living with ALS.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

The Organization maintains its accounts and prepares its financial statements on the accrual basis of accounting.

Notes to Financial Statements
December 31, 2023

NOTE B – *continued*

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2022, from which the summarized information was derived. Certain reclassifications have been made to the summarized information to be consistent with the presentation in the audited financial statements as of December 31, 2023.

Recognition of Contributions with Donor Restrictions

The Organization reports gifts of cash and other assets with restrictions as support with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Contributions with donor restrictions received and expended in accordance with the donor's restrictions in the same fiscal year are recognized as public support without donor restrictions in these financial statements.

Fair Value Measurements

Management has adopted the criteria of FASB ASC 820-10, (formerly SFAS No. 157, "Fair Value Measurements"). FASB ASC 820-10 defines fair value, establishes a framework for measuring fair value under generally accepted accounting principles, and expands disclosure about fair value measurements. FASB ASC 820-10 establishes a fair value framework that prioritizes the inputs and assumptions used to measure fair value. The three levels of the fair value framework under FASB ASC 820-10 are as follows:

Level 1	Inputs that reflect unadjusted quoted prices in active markets for identical assets
	or liabilities at the measurement date

Level 2 Inputs other than quoted market prices in active markets that are observable for the asset either directly or indirectly, including inputs in markets that are not considered to be active.

Level 3 Inputs that are unobservable.

An asset or liability's level within the framework is based on the lowest level of any input that is significant to the fair value measurement.

Cash and Cash Equivalents

For the purpose of the statements of cash flows, cash and cash equivalents includes checking, savings and money market accounts and certificates of deposit with an initial maturity of three months or less.

Accounts Receivable

Accounts receivable consist of grant and program service revenues not yet collected. There was \$168,978 in accounts receivable at December 31, 2023. Management deemed all receivables to be collectible at December 31, 2023 and therefore, no allowance for doubtful accounts has been established.

Pledges Receivable

Conditional promises to give are not recognized in the financial statements until the conditions are substantially met. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in more than one year are recorded at fair value, which is measured as the present value of their future cash flows.

Notes to Financial Statements
December 31, 2023

NOTE B – *continued*

The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. In the absence of donor stipulations to the contrary, promises with payments due in future periods are restricted to use after the due date. Management deemed all pledges receivable to be collectible at December 31, 2023 and therefore, no allowance for uncollectible pledges receivable has been established.

Property and Equipment

Property and equipment purchases are capitalized at cost, if purchased, or at fair market value at the date of receipt, if donated. The Organization's policy is to capitalize items with a cost or value in excess of \$2,500.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor-imposed restrictions. The Organization reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Use of Estimates

Management uses estimates and assumptions in preparing financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates used.

Allocation of Expenses

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include compensation and benefits, which are allocated on the basis of estimates of time and effort, as well as occupancy, which is allocated on a square footage basis. General and administrative expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

Contract Revenues, Assets and Liabilities

Contract revenues are recognized as consulting services are performed, in an amount that reflects the consideration the Organization expects to be entitled to in exchange for the services. Revenues received in advance are deferred to the applicable period in which the related services are performed. Contract assets include unbilled amounts resulting from the amount of services transferred to date in relation to the remaining services promised under the contract. Contract liabilities include advanced billings on uncompleted services.

NOTE E – PLEDGES RECEIVABLE

The Organization has carried out a fund-raising campaign for funds to purchase, construct, and operate property for future use in its programs. As of December 31, 2023, pledges receivable from the campaign were \$2,750. During the year ended December 31, 2022, the Organization received a pledge of \$1,155,000 to support ongoing programs over three years and a pledge for \$25,000 to support ongoing programs over two years. During the year ended December 31, 2023, the Organization received two bequests totaling \$644,291 to be received in the early part of 2024. Promises to give are either restricted for payment of the costs of the new facility or for their time restrictions. The promises to give as of December 31, 2023 are unconditional with installments of \$1,044,541 due in 2024. Promises to give that are due after 2024 are discounted at 5%. There is no unamortized discount on promises to give as of December 31, 2023 as there are no collections expected after 2024. Uncollectible promises are expected to be insignificant.

NOTE F – CONTRACT ASSETS AND LIABILITIES

Contract assets include unbilled amounts typically resulting from income received from contracts when the percentage of services transferred to date relative to the remaining services obligated under the contract is utilized and revenue recognized exceeds the amount billed to the customer. Contract liabilities include billings in excess of revenue recognized. Contract assets and contract liabilities were as follows for the year ended December 31, 2023:

	Balance	Billings/	Revenues	Balance	
	12/31/2022	Collections	Recognized	12/31/2023
